

EdRen home

Edren provides [patient](#) and [staff info](#) about kidney diseases and renal unit protocols. The [Edren textbook](#) and other educational resources are at www.edrep.org, but we are gradually migrating them to our [Education pages](#).

Edinburgh patients can sign up to see live test results and info online at [PatientView](#) - click for more info about joining [PatientView in Edinburgh](#)

We comply with the [HONcode standard for trustworthy health](#) information: [verify here](#). Read [About Us](#) to see how we comply
