This website is produced from the Renal Unit at the Royal Infirmary of Edinburgh, Scotland. Almost all of the content is our original work, and where it isn't, there should be a statement to that effect (e.g. in an image caption).

For non-commercial purposes you are free to use any of our material as long as you attribute it to us, for instance by a hyperlink to [www.edren.org](http://www.edren.org). Where any material isn't ours, of course we can't give you permission to re-use that, you need to contact the original copyright holder.

For commercial or other uses out-with those stated in the [Creative Commons Licence](#), please [contact us](#). We may be able to rewrite material for specific purposes, or give you permission to do so.
