

# Contact

This website is run from the Renal Unit at the Royal Infirmary in Edinburgh, Scotland. Here are contact details. We regret that we **cannot give advice on management of individual patients**. It is edited by staff, mostly in their free time. Please note the cautions at the foot of this page.

Email us at [renal@ed.ac.uk](mailto:renal@ed.ac.uk)

We are particularly keen to hear what we are doing well, and what we could do better. And about any errors. If you really like us, you can also [make a donation](#).
