

Unit handbook

Welcome to the **Edren Unit Handbook**. The Edren [Transplant Handbook can be found here](#). Both show Edinburgh's internal protocols, written for a professional audience; use edren.org/info for more general information. Contents are listed below:

- [AKI-Generalist](#)
- [AKI-Specialist](#)
 - [Acute kidney injury - 'screen' \(tests\)](#)
 - [Acute kidney injury - management](#)
- [Anaemia in Renal Disease](#)
 - [Education: Anaemia in Renal Disease](#)
 - [Key Clinical Trials in Renal Anaemia](#)
- [Anticoagulation](#)
- [Antimicrobial Prescribing](#)
- [Arteriography and angioplasty](#)
- [Blood pressure in renal disease](#)
 - [Blood pressures in children](#)
- [Coding \(EDTA-ERA codes\)](#)
- [Diet in renal disease](#)
- [Fluid and electrolyte replacement in renal failure](#)
- [Fluid Therapy](#)
- [Foreign travel for dialysis patients](#)
- [GFR estimation](#)
- [Gout and hyperuricaemia](#)
- [Haemodialysis](#)
- [Haemodialysis Catheter \(Tunneled Line\) Infections](#)
- [Hypercalcaemia](#)
- [Hyperkalaemia](#)
- [Hyperlipidaemia](#)
- [Infection and infection control](#)
- [Nephrotic syndrome](#)
- [Not for RRT](#)
- [Osteodystrophy](#)
- [Osteoporosis prevention on steroids](#)

- [Peritoneal dialysis](#)
- [PKD](#)
- [Poisoning](#)
- [Pre-dialysis management of CRF](#)
- [Preparing for Renal Replacement Therapy](#)
- [Prescribing](#)
 - [Renal Drugs A-Z](#)
- [Proteinuria in renal disease](#)
- [Radiology](#)
- [Renal biopsy](#)
- [SLE](#)
- [Stone disease](#)
- [Surgery in ESRD](#)
- [Systemic vasculitis](#)
- [Trials](#)
- [UTI](#)
- [Vascular access](#)
- [VTE Prophylaxis](#)
